J. D. Robb CD Collection 7: Visions in Death, Survivor in Death, Origin in Death (In Death Series) J. D. Robb

Visions in Death: On one of the city's hottest nights, New York Police Lieutenant Eve Dallas is sent to Central Park ? and into a hellish new investigation. The victim is found on the rocks, just above the still, dark water of The Lake in Central Park. Around her neck is a single red ribbon. Her hands are posed, as if in prayer. But it is the eyes ?removed with such precision, as if done by the careful hand of a surgeon ? that have Dallas most alarmed. Survivor in Death: Eve Dallas may be the best cop in the city but the Swisher case has her baffled. The family members were murdered in their beds with brutal, military precision. The state-of-the-art security was breached, and the killers used night vision to find their way through the cozy middle-class house. Clearly, Dallas is dealing with pros. The only mistake they made was to overlook the nine-year-old girl cowering in the dark in the kitchen. . . Origin in Death: New York Police Lieutenant Eve Dallas and her partner Peabody enter the hallowed halls of the Wilfred B. Icove Center for Reconstructive and Cosmetic Surgery on a case. A hugely popular vid star has been beaten to a bloody pulp - and has killed her attacker in the process. After a post-op interview, Dallas and Peabody confirm for themselves that it's a clear-cut case of self-defense, but before they can leave the building, another case falls into their hands.
