Marie Antoinette: The Journey Antonia Fraser

France's beleaguered queen, Marie Antoinette, wrongly accused of uttering the infamous "Let them eat cake," was the subject of ridicule and curiosity even before her death; she has since been the object of debate and speculation and the fascination so often accorded tragic figures in history. Married in mere girlhood, this essentially lighthearted, privileged, but otherwise unremarkable child was thrust into an unparalleled time and place, and was commanded by circumstance to play a significant role in history. Antonia Fraser's lavish and engaging portrait of Marie Antoinette, one of the most recognizable women in European history, excites compassion and regard for all aspects of her subject, immersing the reader not only in the coming-of-age of a graceful woman, but also in the unraveling of an era.

Richard Lamm:

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Marie Antoinette: The Journey can make you really feel more interested to read.
