Today only, get this e-book for just \$2.99. Regularly priced at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device.

Life - it is perhaps the most celebrated thing in the world. But what happens if people disregard its importance?

In this book, you will discover some of the world's most famous murders, including who the perpetrators where, why they stole life like it was nothing, and what happened to them afterwards.

You might be surprised at some of the killers because they are quite incapable, until they were... and very much so. The death tolls that are described in this book are boundless, from one victim to a couple of millions.

Missing persons stories are some of the most intriguing cases in history, especially with how many different things could potentially have happened in a case. Not all people that have gone missing were famous and powerful-- some of them were ordinary citizens, who lived their lives simply, without complications. So, why would they suddenly disappear? Could it be possible that they were facing battles far more serious than they let on?

Here Is A Preview Of What You'll Learn...

- True Crime Children Who Killed
- True Crime Historical Mass Murders that Shook the World
- True Crime Most Devastating School Shootings
- True Crime Doctors of Death
- True Crime What Happened to DB Cooper?
