\$2.99 (Regularly priced: \$4.99)

In this debut novel, Paula Hawkins has woven a suspenseful thriller with one delicious web of intrigue, murder, suspense, and deceptions that dare readers to untangle it. It was filled with shocking twists, non-stop surprises, unconventional use of multiple narrators, unsettling main characters that frustrate expectations, all forming a complex plot that lead to a thrilling finish. The final outcome is readers gasping for more.

The Girl on the Train is the story of the slow disintegration of a woman's life after her husband left her for a new mistress. The separation further worsened her drinking which caused their breakup in the first place. Her descent into alcoholism also cost her job and drove her out of their flat. Now the woman, Rachel Watson, is reduced to commuting every day on the train to and from London as she pretends to everyone, especially her housemate and mother, that she still has a job. To make that daily pretense bearable, she drinks liquor that causes her to forget what happened the previous day. In addition, she created a fantasy involving a couple living in one of the houses along the railroad track. She gave them names and imagines them as having a perfect life, inventing nice backstories to forget her troubles. All of a sudden, things she never expected happened, turning her world upside down. The whole story is sure to captivate readers with its enticing premise, intricate plot, and a thrilling, suspenseful murder mystery.
