Disability Studies and Biblical Literature

Jeremy Schipper, Candida R. Moss

Disability Studies and Biblical Literature Jeremy Schipper, Candida R. Moss

Since the emergence of disability studies over the last several decades, disability theorists have often settled for sweeping generalizations about “biblical” notions of disability. Yet, academic or critical biblical scholarship has shown that many texts involving disability in the Bible is much more nuanced than a casual reading or isolated proof texting may indicate. A primary goal of this volume is to familiarize a wide audience, including advanced students, scholars, clergy, and interested lay readers, with research on disability and the Bible done by scholars who specialize in biblical studies.
