Give Me Liberty!: An American History (Seagull Third Edition) (Vol. 2) Eric Foner

The leading United States History survey text is now available in a value edition.

Give Me Liberty! is the leading textbook in the market because it works in the classroom. A single-author book, *Give Me Liberty!* offers students a consistent approach, a single narrative voice, and a coherent perspective throughout the text. Threaded through the chronological narrative is the theme of freedom in American history and the significant conflicts over its changing meanings, its limits, and its accessibility to various social and economic groups throughout American history. With the Seagull Edition, students get the full text in a value-edition format: two-color, a selection of the illustrations and maps in the regular edition, and a basic version of the pedagogy. The price is half that of the regular edition, and less than the Brief Edition.
