In Her Wake: A Child Psychiatrist Explores the Mystery of Her Mother's Suicide

Nancy Rappaport

In Her Wake: A Child Psychiatrist Explores the Mystery of Her Mother's Suicide Nancy Rappaport
In Her Wake is a rare thing: the story of a psychiatrist analyzing her own psychological drama. Nancy Rappaport was just four years old when her mother—a prominent Boston activist and socialite—committed suicide. Decades later, Rappaport, a child psychiatrist with three children of her own, pieced together a complex mosaic of her "mama." *In Her Wake* sheds light on the nature of hurting and healing, and is a potent reminder that love outlasts death.
