Kathryn Huang

A Guide Book to the Great Tree (Guardians of Ga'hoole) Kathryn Huang

Finally, for all free folk of air, land, and water seeking knowledge of the Great Ga'Hoole Tree; its ways, its days, its heroes known and unknown... a Guide!

Studios by nature, fortunate to have been present at the most glorious moments in the tree's recent history, and above all honored to count as friends its most ardent champions, I, Otulissa, have decided to write a compendium, a catchall -a guide, in short- to the history, life, and spirit of the tree. Pause a moment before the next adventure begins to read of its natural history, its origin, and yearly changes. Read of its lesser-known heroes: of Joss, brave messenger of legends; of the brothers Ifghar and Ezylyrb and the treachery that bound them; of Theo, the peaceful warrior.
