Broken Illusions: A Midnight Dragonfly Novel Ellie James

The next exciting novel in the thrilling new Midnight Dragonfly series from Ellie James!

It's almost Mardi Gras, but for 16 year-old psychic Trinity Monsour this is no time for celebration. Another girl is missing. Tormented by visions she doesn't understand of an empty street lined by crumbling old buildings, a terrified voice warning her to be careful, and a body lying motionless in the grass, Trinity embarks upon a dark odyssey she could never have imagined. She'll stop at nothing to better understand her abilities, convinced that doing so is the only way she can make sure the terrifying images she sees never actually happen. But it seems everyone wants to stop her. Her aunt is worried Trinity might discover secrets best left in the past. Her best friend, Victoria, is afraid Trinity is slipping away, her boyfriend, Chase, fears she's taking too many chances, and the lead detective will barely let her out of his sight. Only one person stands by her side, and in doing so, he slips deeper and deeper into her heart and her dreams blurring the lines of reality and illusion. When the dust settles, one of them will be dead.
