### **??? Interview with the Author**

Q - Why is the London Loves Series so special?

A - Just like you, I love to read steamy romance novels that feature strong women, guys who know what they want, and plenty of sizzling sex.

Overall, each book in the series is designed to give you the perfect balance of romantic tenderness, hot loving, and a thrilling plot to keep you turning the pages.

One very special thing about the series is the inclusion of the gay side-characters Scott and Paul. The series has a great mixture of F/M and M/M romance - and sometimes the sexuality boundaries are pushed to the limits!
