For the past two millennia, no historical figure has exerted as strong a grip over the human imagination as Julius Caesar, a leader of unprecedented genius and charisma, inexhaustible energy, and boundless ambition, who lowered the curtain on the era of republicanism and set Rome firmly on the path to empire. What shaped his character and his vision? This volume traces Caesar's early career, from his alliance with Pompey and Crassus in the First Triumvirate, to his rise to the consulship and his conquest of Gaul.
