## **The Alchemist** Ben Jonson

The difference between the plot of The Alchemist and the plot of tragedy is not a difference of logical structure. It is simply a difference of attitude toward life. Tragedy treats of characters and events seriously, under the inexorable domination of the law of fate, while comedy treats of characters and events humorously, under the exorable adjustment of social conventions. Advantages you got of course the knowledge the particular information inside the book that improve your knowledge and information. The info you get based on what kind of guide you read, if you want send more knowledge just go with education and learning books but if you want really feel happy read one along with theme for entertaining including comic or novel. The The Alchemist is kind of publication which is giving the reader unforeseen experience.

#### Judith Craig:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Alchemist can make you sense more interested to read.
