## **The Arabian Nights: Stories from The Thousand and One Nights (Annotated)** Various

Full of mischief, valor, ribaldry, and romance, The Arabian Nights has enthralled readers for centuries. These are the tales that saved the life of Shahrazad, whose husband, the king, executed each of his wives after a single night of marriage. Beginning an enchanting story each evening, Shahrazad always withheld the ending: A thousand and one nights later, her life was spared forever. These tales, including Aladdin; or, the Wonderful Lamp, Sinbad the Seaman and Sinbad the Landsman, and Ali Baba and the Forty Thieves, have entered into the popular imagination, demonstrating that Shahrazad's spell remains unbroken.

Including: an introduction and annotations
