The Fine Art of Copyediting

Elsie Myers Stainton

The Fine Art of Copyediting Elsie Myers Stainton

Many stylebooks and manuals explain writing, but before the release ten years ago of Elsie Myers Stainton's *The Fine Art of Copyediting*, few addressed the practices and problems of editing. This handbook has guided users through the editing process for books and journals, with tips on how to be diplomatic when recommending changes, how to edit notes and bibliographies, how to check proofs, and how to negotiate the ethical, intellectual, and emotional problems characteristic of the editorial profession. Now featuring solid advice on computer editing and a new chapter on style, as well as more information on references, bibliographies, indexing, and bias-free writing, *The Fine Art of Copyediting, Second Edition* offers the same wealth of information that prompted William Safire to commend the first edition in *The New York Times Magazine*.

Complete with helpful checklists for the manuscript, proof, and index stages of book production, as well as an excellent bibliography of reference works useful to the copyeditor, *The Fine Art of Copyediting, Second Edition* is an indispensable desk reference for writers and editors confronting a host of questions each day. Why use the word "people" instead of "persons?" What precautions are necessary for publishers to avoid libel suits? How can an editor win an author's trust? What type fonts facilitate the copyediting process? How does computer editing work? For experienced and novice copyeditors, writers and students, this is the source for detailed, step-by-step guidance to the entire editorial process.

From reader reviews:

Judith Rayl:

Do you have favorite book? In case you have, what is your favorite's book? Book is very important thing for us to learn everything in the world. Each e-book has different aim or goal; it means that guide has different type. Some people experience enjoy to spend their the perfect time to read a book. They may be reading whatever they take because their hobby is definitely reading a book. How about the person who don't like reading a book? Sometime, man feel need book whenever they found difficult problem or perhaps exercise. Well, probably you will want this The Fine Art of Copyediting.

Janet Warren:

Often the book The Fine Art of Copyediting has a lot of information on it. So when you read this book you can get a lot of advantage. The book was written by the very famous author. This articles author makes some research before write this book. This particular book very easy to read you can find the point easily after reading this article book.

Benjamin Williams:

Many people spending their time frame by playing outside having friends, fun activity together with family or just watching TV all day long. You can have new activity to enjoy your whole day by looking at a book. Ugh, think reading a book can really hard because you have to take the book everywhere? It fine you can have the e-book, delivering everywhere you want in your Smartphone. Like The Fine Art of Copyediting which is having the e-book version. So , why not try out this book? Let's see.

Ashley Gibson:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Fine Art of Copyediting can make you really feel more interested to read.
