Me & Mr. Jones Lindsay Marie Miller

Finley O'Connell is a shy, reserved college student, who has no intention of ever trusting another man. At nineteen, Finley spends her Friday nights alone, studying clinical psychology to ease her mind of the abusive childhood she had yet to overcome. Her new professor, the young, charismatic Cabel Jones, begins to take an interest in Finley, whose first instinct is to run. But when an ordinary experiment turns to bloodshed, Finley must rely on Cabel, as the two hide away in a rustic, secluded cabin in the wilderness. Plagued by deception and fear, Finley soon finds herself in the arms of the one man on campus who can never truly be hers.
