More than 450 judicial and administrative decisions from 19 countries, with emphasis on the United States of America, Germany and Norway constitute the basis for this book. The book provides a comparison of the legal practice in different countries. A critical discussion of the notion of 'permanent establishment' in future international fiscal law is also included. In addition to cases previously published in law reports and other publications, also a number of unpublished decisions are discussed in this book. The majority of the unpublished cases are Norwegian, but also a few Danish, Canadian, German, US, and UK cases are included. Also included are synopsis of court decisions and administrative rulings upon which the analysis is based.
