The SAGE Handbook of Digital Dissertations and Theses

The SAGE Handbook of Digital Dissertations and Theses

The **SAGE Handbook of Digital Dissertations and Theses** sets out the processes and products of 'digital' research. It is a theoretical and practical guide on how to undertake and navigate advanced research in the arts, humanities and social sciences. The editors focus on advances in arts- and practice-based doctorates, and their application in other fields and disciplines. The contributions chart new territory for universities, research project directors, supervisors and research students regarding the nature and format of graduate and doctoral work, as well as research projects.
