A Philosophy of the Human Being Julian A. Davies

This book is an accessible text that explores what it means to be human. It is designed for an introductory course in Philosophy of the Human Being and contains an abundance of current examples, with embedded quotations from philosophers and selections from contemporary writers following the chapters.

The author provides an introduction to philosophy, then discusses the topics of human sociability, intelligence, freedom, duality, individuality and immortality. He concludes by highlighting the contrast between realism and materialism. This systematic approach focuses on issues, with a minimum of metaphysical superstructure and jargon, and provides connections between the readings.
