5 Effective Strategies to Overcome Sibling Rivalry Between Older Kids

**** Limited Time Bonus - 3 Free Insightful Reports on Solving Those Most Everyday of Parenting issues. INSIDE THIS BOOK. ****

Learn How to Help Your Children Form a Bond that Lasts for Life

Do you want to help your children get along?

The sibling relationship keep parents up at night. By now, you may be wondering, when does the bonding begin? Your children are not babies anymore so you may have been hoping to see some early signs that they are starting to develop a close attachment to each other. However, you have likely found that now that they are old enough to interact, those interactions have taken the form of conflicts and that your home is now a battleground. Understandably, this creates a stressful environment for you as a parent.

The good news is that there are steps you can take to effect a positive change in the relationship between your children. The recommendations found in this book are effective methods of diffusing a sibling rivalry and helping to establish a lasting bond between your children.

What You Will Learn In This Book:

- How to foster cooperation instead of competition between your children by being the coach, not the referee
- To share what your minimum expectations are for your children and to put necessary boundaries into place
- To teach them about setting limits and establishing ground rules for their own relationships
- How to teach the kids to listen to each other, develop empathy, and learn that their actions towards each other will create a reaction
- To listen to your children to understand what's going on, hearing the emotions behind the complaint or the fight
- Ways to strengthen team bonding through positive family activities

Want your children to stop fighting and get along?
