Les Miserables: Cosette

Victor Hugo

Les Miserables: Cosette Victor Hugo

In *Les Misérables* Victor Hugo takes readers deep into the Parisian underworld, immerses them in a battle between good and evil, and carries them onto the barricades during the uprising of 1832. Within his dramatic story are themes that capture the intellect and the emotions: crime and punishment, the relentless persecution of Valjean by Inspector Javert, the desperation of the prostitute Fantine, the amorality of the rogue Thénardier and the universal desire to escape the prisons of our own minds. *Les Misérables* gave Victor Hugo a canvas upon which he portrayed his criticism of the French political and judicial systems, but the portrait which resulted is larger than life, epic in scope - an extravagant spectacle that dazzles the senses even as it touches the heart.
