The novel is an inspiring tale of eternal and enduring love. The plot weaves around two different stories: that of Ira and Ruth and that of Luke and Sophia. Separated by several decades and with very little in common, fate brings them together in a climax that is unexpected and touching.

In the end, it is only love that survives the test of time. Pure love, at any age and under any circumstances will find a way to survive. The most precious gift a person can receive is someone to share their longest ride with; the ride of life.
