Featuring a wide range of mixed media projects, this outrageously fun craft primer takes a decidedly unstuffy approach to an immense range of art methods. Projects--including art quilts, painting, collage, bookbinding, assemblage, doll making, decoupage, and image transfers--are divided into three main sections: Artistic Appetizers, Creative Main Courses, and Sweet Treats and Special Occasions, with each addressing a different level of time invested and difficulty. Whimsically laid out like recipes, each project includes detailed ingredients (materials), instructions (what to mix and add), and tasting tips (how it should look).
