## Teens' Guide to College & Career Planning Peterson's

*Teen's Guide to College & Career Planning* is intended for use by students at any stage of middle and high school, but it has the most relevance for high school sophomores and juniors who are starting to get serious about the decisions they will need to make after graduation. Whether they're planning to head to a two-year or four-year college, to a technical school, to an apprenticeship, to the military, or directly into the workforce-or are still undecided-here's where they'll find information on the various options available and which ones best suits their skills, needs, and wants.
