## **The New Gospel of Christian Atheism** Thomas J. J. Altizer

Thomas J.J. Altizer's *The New Gospel of Christian Atheism* is a largely rewritten version of his earlier classic and controversial book on this subject, which was a major contribution to twentieth century American theology. This revised and updated version is set forth in prose that is at once lucid and bold, and gives us nothing less than a new vision for the postmodern era in original and unforgettable terms.
