Clay So Cute!: 21 Polymer Clay Projects for Cool Charms, Itty-Bitty Animals, and Tiny Treasures
Sherri Haab

Clay So Cute! shows how one of the easiest mediums—polymer clay, which need only be baked in the oven—can be sculpted into quick, simple, totally fun jewelry and accessories for tween girls—including bangles, pocket mirrors, earrings, chunky bead necklaces, and cute charms.

Clay So Cute! teaches simple, step-by-step illustrated techniques to make 21 tween- and teen-friendly projects that are more sophisticated than "kid stuff," but trendier than the pieces found in adult clay books—from robot key chains to polka-dot ponytail holders. Using only a few simple tools and updated colors, Sherri Haab has created a collection of eye-catching jewelry and accessories that crafty girls will love. Whether making them yourself or with mom or a friend, there's a project in here that you won't be able to resist—and that all the girls in your class will want, too!

Among the projects are:

Cupcake Charms

Japanese Fun Foods

Bottle Cap Necklace

Wishing Stone Jewelry
