Divine Rebels: American Christian Activists for Social Justice Deena Guzder

Divine Rebels chronicles the extraordinary efforts of American Christian activists who agitate for a world free of racism, patriarchy, bigotry, retribution, ecocide, torture, poverty, and militarism.

While pundits speak of the “Religious Right,” this is the underreported story of American Christians who are progressive *because* they are religious. They don’t see themselves simply performing good work, but *Godly* work. They believe in a community based on ethics, a world with infinite potential for improvement, and an inclusive God of love. These rabble-rousers are small in number, and their efficacy is best measured on the margins, but they are part and parcel of an American tradition that began with the nation’s earliest Quaker abolitionists.

By profiling social justice activists on the frontlines of the “Christian Left” since the 1960s, *Divine Rebels* articulates a forward-thinking, faith-based alternative to both the conservative drone warping religion as well as the political left’s alienating cynicism.

From reader reviews:

Robert Burdette:

Reading a guide tends to be new life style within this era globalization. With studying you can get a lot of information that may give you benefit in your life. Along with book everyone in this world could share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their own reader with their story as well as their experience. Not only the storyline that share in the books. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors on this planet always try to improve their skill in writing, they also doing some analysis before they write on their book. One of them is this Divine Rebels: American Christian Activists for Social Justice.

Willie Hickox:

Spent a free time and energy to be fun activity to do! A lot of people spent their down time with their family, or their friends. Usually they carrying out activity like watching television, going to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your free time/ holiday? Could possibly be reading a book can be option to fill your free of charge time/ holiday. The first thing that you ask may be what kinds of guide that you should read. If you want to attempt look for book, may be the publication untitled Divine Rebels: American Christian Activists for Social Justice can be very good book to read. May be it might be best activity to you.

Phyllis Kelly:

Is it anyone who having spare time and then spend it whole day by simply watching television programs or just lying on the bed? Do you need something new? This Divine Rebels: American Christian Activists for Social Justice can be the reply, oh how comes? It's a book you know. You are thus out of date, spending your spare time by reading in this fresh era is common not a nerd activity. So what these publications have than the others?

James Johnson:

Some individuals said that they feel bored when they reading a publication. They are directly felt the item when they get a half areas of the book. You can choose the actual book Divine Rebels: American Christian Activists for Social Justice to make your reading is interesting. Your current skill of reading ability is developing when you like reading. Try to choose simple book to make you enjoy to see it and mingle the sensation about book and looking at especially. It is to be very first opinion for you to like to start a book and learn it. Beside that the reserve Divine Rebels: American Christian Activists for Social Justice can to be your new friend when you're really feel alone and confuse with what must you're doing of their time.
