Female Aggression

Helen Gavin, Theresa Porter

Female Aggression Helen Gavin, Theresa Porter

This critique explodes the stereotypical assumption that men are more prone than women to aggression

- A cogent and holistic assessment of the theoretical positions and research concerning female aggression
- Examines the treatment, punishment and community response to female aggressive behavior
- Examines topics including sexual power, serial murder and the evolution of gendered aggression
- Treats female aggression in its own right rather than as a counterpart to male violence
