Constantine and the Bishops: The Politics of Intolerance (Ancient Society and History) H. A. Drake

Historians who viewed imperial Rome in terms of a conflict between pagans and Christians have often regarded the emperor Constantine's conversion as the triumph of Christianity over paganism. But in *Constantine and the Bishops*, historian H. A. Drake offers a fresh and more nuanced understanding of Constantine's rule and, especially, of his relations with Christians.

Constantine, Drake suggests, was looking not only for a god in whom to believe but also a policy he could adopt. Uncovering the political motivations behind Constantine's policies, Drake shows how those policies were constructed to ensure the stability of the empire and fulfill Constantine's imperial duty in securing the favor of heaven.

Despite the emperor's conversion to Christianity, Drake concludes, Rome remained a world filled with gods and with men seeking to depose rivals from power. A book for students and scholars of ancient history and religion, *Constantine and the Bishops* shows how Christian belief motivated and gave shape to imperial rule.

People who think that in publication form make them feel drowsy even dizzy this guide is the answer. So there is no in reading a e-book especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss it! Just read this e-book sort for your better life as well as knowledge.

Kellie Stephens:

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word

says, many ways to reach Chinese's country. Therefore , this Constantine and the Bishops: The Politics of Intolerance (Ancient Society and History) can make you experience more interested to read.
