Nation & Race (Warwolves of the Iron Cross) (Volume 9) Weronika Kuzniar

This book is so large that it consists of three books. This one is the third and last in the set of three. A “black holocaust” that commenced under the German Kaiser, Jewish genocide, Aryan supermen bred to dominate the world under Nazism’s mad tutelage, thousands of death camps, mad German doctors drunk on human experimentation, Slavs slaughtered mercilessly because they are “subhumans”, and a World War that was started by the “most lethally racist regime” in modern history. Can one historian undermine so many indisputable facts about “Hitlerdeutschland”? You bet!
