Successful Test Management: An Integral Approach Iris Pinkster, Bob van de Burgt, Dennis Janssen, Erik van Veenendaal

At a time when information systems are becoming ever more complex and quality to market and time to market are critical for many companies, a structured test process is essential. Even more important is a structured test management process to keep testing under control. Nowadays a test manager must have extensive knowledge of and experience with project management, risk assessment, team building, and, process improvement.

Based on their long-term industry experience, Pinkster and her coauthors describe a holistic approach to test management that combines test methods, test management, risk assessment and stakeholder management into one integral process, giving test managers, test coordinators, IT project managers, and QA managers a competitive edge in environments where there are numerous unstructured requirements, tough testing schedules and limited resources.

This book should be in every test manager's backpack!

From reader reviews:

Brian Price:

Now a day those who Living in the era everywhere everything reachable by interact with the internet and the resources included can be true or not require people to be aware of each data they get. How many people to be smart in acquiring any information nowadays? Of course the answer is reading a book. Reading a book can help persons out of this uncertainty Information especially this Successful Test Management: An Integral Approach book since this book offers you rich info and knowledge. Of course the details in this book hundred per cent guarantees there is no doubt in it you know.

Theresa Wilkins:

The book Successful Test Management: An Integral Approach has a lot of knowledge on it. So when you read this book you can get a lot of benefit. The book was compiled by the very famous author. Mcdougal makes some research before write this book. This book very easy to read you will get the point easily after perusing this book.

Bryan Rodriguez:

Playing with family inside a park, coming to see the marine world or hanging out with good friends is thing that usually you have done when you have spare time, then why you don't try issue that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Successful Test Management: An Integral Approach, you can enjoy both. It is good combination right, you still want to miss it? What kind of hang-out type is it? Oh can happen its mind hangout people. What? Still don't obtain it, oh come on its called reading friends.

Tom Burkhardt:

This Successful Test Management: An Integral Approach is great e-book for you because the content that is certainly full of information for you who also always deal with world and also have to make decision every minute. This book reveal it facts accurately using great organize word or we can say no rambling sentences included. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but hard core information with beautiful delivering sentences. Having Successful Test Management: An Integral Approach in your hand like getting the world in your arm, facts in it is not ridiculous one. We can say that no e-book that offer you world with ten or fifteen second right but this e-book already do that. So , this really is good reading book. Hey Mr. and Mrs. occupied do you still doubt which?
