The *Bruce R. Hopkins Nonprofit Law Dictionary* is a thorough professional reference for the terminology and definitions surrounding the law of tax-exempt organizations. Author Bruce R. Hopkins, the country's leading expert in nonprofit law, draws upon 45 years of practice to deliver a true dictionary reference for attorneys specializing in nonprofit law and tax law. The book's terminology and definitions are derived from constantly changing statutes, government agency regulations and rulings, court opinions, and government forms and instructions, with citations provided where appropriate. Modeled after a conventional dictionary, this book offers quick navigation to the information of interest, and points you toward the other Hopkins guides that provide more in-depth information should you require it.

The devil is in the details, and nowhere is that statement truer than in the legal profession. - Stay up to date on the latest in nonprofit law
- Confirm the accepted definitions of legal terms and phrases
- Learn where to turn for deeper guidance on specific topics
- Gain expert insight into obscure and complex definitions

Stop spending time wading through textbooks and case law, only to wonder whether or not the information you eventually found applies to nonprofit law in the same way. Focused specifically on the law as it applies to the nonprofit sector, the *Bruce R. Hopkins Nonprofit Law Dictionary* is an indispensable reference that gives you the information you need quickly and easily.
