Mica (Rebel Wayfarers MC) (Volume 1) MariaLisa deMora

Mica Scott was raised on a ranch in Northeast Texas. Life was hard, but not impossible...until she met her own personal nightmare one night at a rodeo. She escaped his abuse by putting things behind her, isolating herself from vulnerable friends and family by moving to Chicago for college and work.

Davis Mason is the hard-living president of the *Rebel Wayfarers MC*, a motorcycle club operating out of Chicago. With just one encounter, he becomes determined to keep Mica safe...whether she wants him to or not. He will use every resource at his disposal to manage Mica and her safety, while keeping himself from taking the one thing he really wants...her.

Daniel Rupert is a successful businessman. He owns a trucking company and a hockey team, for which he is the star forward. Meeting Mica and Mason when he helped foil an attempt on her life, he began working jointly with Mason in an effort to keep her safe. But unlike Mason, Daniel is not satisfied with a platonic relationship. He carefully maneuvers himself into Mica's life, and he only wants...everything. Events escalate and Mica's very life hangs in the balance as old threats resurface while the men in her life scramble to keep her alive.
