*On Wooden Wheels* tells the true story of Carla Nathans Schipper, a Dutch woman who survived the Holocaust by concealing herself and her children. After the war, Carla confronted the emotional aftermath for herself and her daughters, remarried, left Europe for America-and again escaped concealment by refusing to hide her son, born with Down syndrome in a period when such children were condemned to live in the shadows. *On Wooden Wheels* moves with force and determination throughout Carla's remarkable life.
