The Chinese Revolution in Historical Perspective

John E. Schrecker

The Chinese Revolution in Historical Perspective John E. Schrecker

This fully updated second edition provides a succinct and self-contained history of China. The text emphasizes the relationship between China's modern era and its past, employing a unique approach that presents the story in terms of traditional Chinese historical theories. When the West enters the scene in modern times, Schrecker fits its impact into the Chinese story, rather than the reverse, as is commonly done. This study demonstrates that traditional China was not homogeneous or changeless, thus offering a much-needed corrective to common stereotypes about other cultures that is essential for both classroom use and for the general reader.

The Chinese Revolution in Historical Perspective, available here in a fully updated second edition, provides a succinct and self-contained history of China. The text emphasizes the relationship between China's modern era and its past, employing a unique approach that presents the story in terms of traditional Chinese historical theories. When the West enters the scene in modern times, Schrecker fits its impact into the Chinese story, rather than the reverse, as is commonly done. This study demonstrates that traditional China was not homogeneous or changeless, thus offering a much-needed corrective to common stereotypes about other cultures that is essential for both classroom use and for the general reader.

Schrecker's approach permits a full appreciation of the connections between the contemporary scene and the Chinese past—an appreciation that is increasingly important as China moves away from typical Communist practices and returns to more traditional Chinese patterns—for example, recreating a lively entrepreneurial economy of the sort that characterized China for a thousand years. This edition brings China's story up to the present. An additional preface and map are included, along with an updated bibliography and supplemental notes. A new appendix details the traditional understanding of the key Chinese historiographical terms used in the book.

From reader reviews:

Maryanna Kuhns:

Within other case, little men and women like to read book The Chinese Revolution in Historical Perspective. You can choose the best book if you love reading a book. As long as we know about how is important a book The Chinese Revolution in Historical Perspective. You can add information and of course you can around the world by way of a book. Absolutely right, mainly because from book you can realize everything! From your country until foreign or abroad you can be known. About simple thing until wonderful thing you could know that. In this era, we can open a book or perhaps searching by internet unit. It is called e-book. You may use it when you feel bored to go to the library. Let's examine.

Tamara Evans:

What do you concentrate on book? It is just for students as they are still students or the item for all people in the world, what best subject for that? Just simply you can be answered for that issue above. Every person has distinct personality and hobby per other. Don't to be compelled someone or something that they don't desire do that. You must know how great and important the book The Chinese Revolution in Historical Perspective. All type of book can you see on many methods. You can look for the internet solutions or other social media.

Eli Benton:

The reason why? Because this The Chinese Revolution in Historical Perspective is an unordinary book that the inside of the guide waiting for you to snap this but latter it will shock you with the secret the idea inside. Reading this book beside it was fantastic author who else write the book in such amazing way makes the content within easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of positive aspects than the other book get such as help improving your talent and your critical thinking means. So , still want to postpone having that book? If I were you I will go to the e-book store hurriedly.

Susan Peterson:

You are able to spend your free time to read this book this reserve. This The Chinese Revolution in Historical Perspective is simple bringing you can read it in the park, in the beach, train and also soon. If you did not get much space to bring the printed book, you can buy typically the e-book. It is make you simpler to read it. You can save often the book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.
