The ABCs of Political Economy: A Modern Approach

Robin Hahnel

The ABCs of Political Economy: A Modern Approach Robin Hahnel

This revised edition of ABCs is a lively and accessible introduction to modern political economy. Informed by the work of Marx, Veblen, Kalecki, Robinson, Minsky and other great political economists, Robin Hahnel provides the essential tools needed to understand economic issues today. Dispelling myths about financial liberalisation, fiscal austerity, globalisation and free markets, ABCs offers a critical perspective on our present system and outlines clear alternatives for the future. This second edition applies the analytical tools developed to help readers understand the origins of the financial crisis of 2007, the ensuing 'Great Recession', and why government policies in Europe and North America over the past six years have failed to improve matters for the majority of their citizens. The second edition also helps explain what is causing climate change and what will be required if it is to be resolved effectively and fairly.

From reader reviews:

Douglas Reece:

In this 21st millennium, people become competitive in each way. By being competitive currently, people have to do something to make themselves survive, being in the middle of typically the crowded place and notice by simply surrounding. One thing that often many people have underestimated it for a while is reading. Yeah, by reading a guide your ability to survive raises then having a chance to stand out that is high. To suit your needs who want to start reading a book, we give you that *The ABCs of Political Economy: A Modern Approach* book as beginning and daily reading e-book. Why, because this book is more than just a book.

Beverly Brown:

As people who live in the particular modern era should be up-to-date about what is going on or have even knowledge to make themselves keep up with the era that is certainly always changing and moving ahead. Some of you maybe will probably update themselves by reading books. It is a good choice in your case but the problems coming to anyone is you don't know what one you should start with. This *The ABCs of Political Economy: A Modern Approach* is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

Tyler Smith:

This book titled *The ABCs of Political Economy: A Modern Approach* to be one of several books that will be best sellers in this year, honestly, that is because when you read this guide you can get a lot of benefit from it. You will easily buy this specific book in the book retailer or you can order it through online. The publisher of this book sells the e-book too. It makes you more easily to read this book, as you can read this book in your mobile phone. So there is no reason for you to pass this publication from your list.

Kathy Woodward:

E-book is one of the sources of information. We can add our knowledge from it. Not only for students but natives or citizens have to have books to know the revised information of year to year. As we know those guides have many advantages. Besides many of us add our knowledge, can also bring us to around the world. Through the book *The ABCs of Political Economy: A Modern Approach* we can take more advantage. Don't someone to be a creative person? To become a creative person must love to read a book. Just simply choose the best book that is appropriate with your aim. Don't be doubtful to change your life by this book *The ABCs of Political Economy: A Modern Approach*. You can be more attractive than now.
