The Night Shift

Brian Goldman

The Night Shift Brian Goldman

In *The Night Shift*, Dr. Brian Goldman shares his experiences in the witching hours at Mount Sinai Hospital in downtown Toronto. We meet the kinds of patients who walk into an E.R. after midnight: late-night revellers injured on their way home after last call, teens assaulted in the streets by other teens and a woman who punches another woman out of jealousy over a man. But Goldman also reveals the emotional, heartbreaking side of everyday E.R. visits: adult children forced to make life and death decisions about critically ill parents, victims of sexual assault, and mentally ill and homeless patients looking for understanding and a quick fix in the twenty-four-hour waiting room. Written with Goldman's trademark honesty and with surprising humour, *The Night Shift* is also a frank look at many issues facing the medical profession today, and it offers a highly compelling inside view into an often shrouded world.
