## **Cultivating a Life for God - Japanese Translation** Neil Cole

The prime directive given to us by Jesus is to go and make disciples of all the nations. There is hope. We can still fulfill the great commission in this generation, but we will need to get back the power that spread the gospel across the globe in the first century. We will need to see multiplication of disciples occur among all those in the church. An experienced church planter and pastor shares a tool called Life Transformation Groups (LTGs) and explains how it can release the awesome power of multiplication in your church. LTGs are groups of two or three people who get together once a week for an hour for mutual accountability, to reflect on the Scripture they've been reading during the week, and to pray strategically for their unbelieving friends. A simple and easily replicable approach to disciple-making.
