Magical Bad Ass, M.B.A. (YES! A pun on graduate school because that's where my mess began), is a book that is dedicated to the lessons learned growing up and how true happiness IS actually attainable. With humorous recounts of the fun & crazy adventures and silliness that we get ourselves into as kids, Magical Bad Ass also covers the very hard topics that some of us face as adults including affairs, dating strange humans, DUI's, abortion, the religion debacle, general self-destruction, and getting into trouble with a capital "T." The point is to learn from these experiences and share them, so that maybe if one morsel of wisdom is imparted, someone may be saved from all of the heartache that we can bring on ourselves; if not, hopefully some light-hearted fun shall be had! All in all, the secret to finding true happiness and really experiencing it fully is there; it's being HUMAN that's the problem!
