The Celia Collection M. S. Valentine

Available together in a special double volume, here is the entire savagely erotic story of Celia and the cousins Hardwicke... Meet the beautiful Celia, who wants nothing more than to be with her beloved Colin. When Colin is mistakenly considered to be the prime suspect in a murder, he and Celia are forced to seek refuge with Colin's stern cousin, Sir Jason Hardwicke. In exchange for Colin's safety, Sir Jason demands Celia's unquestioning submission, knowing she'll do anything to protect her lover. Soon, Celia is indeed doing anything demanded of her and becomes an instrument to satisfy each of the cousin's most depraved appetites. In the conclusion to the series, we find Celia once again at odds with her passion for the cousins as Sir Jason releases her and Colin and arranges for the couple's safe passage to France. But Celia cannot easily forget the man who awakened so many desires within her. Can Colin compete with the memory of Jason's virility - or must Celia choose between them? M. S. Valentine is the internationally bestselling author of the contemporary erotic classics "The Captivity of Celia", "The Possession of Celia", "The Governess", "Elysian Days and Nights", and "The Martinet".
