Benji is Back!

Follow the adventures of Benji and his wacky sidekick, Lizard Tongue, in this exciting novel based on the new movie!

This brand-new story was written by Benji's creator especially for the new Benji after the huggable mutt was rescued from an animal shelter in Mississippi.

The famous pup now finds himself lost and alone on the streets of a small southern town. He struggles to save his mom from a backyard puppy mill, while trying to avoid a pair of bungling dogcatchers and a goofy stray mutt who manages to demolish everything he touches. Add a caring teenage boy and a dog-sitting bird and this Benji story is hilarious, heartwarming, and full of tingling suspense.
