With Dance in the Garden, Michele combines her floral "soul shots" with quotes from some of the most influential people of our time. She intends to motivate you and bring you into that space of stillness so you can quiet your mind of all the useless chatter. As you connect to the soul of her flowers, you will find your spirit open to receive the wisdom of these amazing people. You will feel as connected to source, as the authors did themselves as they wrote these inspiring words. She reveals amazing beauty in the simplest flower. Her attention to detail and her ability to capture a feeling sets her apart and makes her work truly personal and unique. Her photographs are never enhanced or edited, in any way, to preserve the beauty and color as nature intended. Her first book, Peace in the Present Moment, was a collaboration with Eckhart Tolle and Byron Katie. Her photography lined every page of this beautiful book. Her stunning photographs add vibrant color and peace to the wisdom of these two New York Times best-selling authors. Michele's flowers take on a spiritual meaning when she captivates the soul of the flower in a photograph. In Dance in the Garden, Michele includes a chapter taking us on her journey of manifesting her book with Eckhart Tolle and Byron Katie. It will inspire you to follow your dreams. Michele is also one of 31 other co-authors in the book, Faces Behind the Pages that Inspire, by Lori Rekowski. This book reveals the people behind Facebook pages that inspire, encourage, and motivate millions every day with positive, motivational quotes and incredible inspiration.
