Construction Project Management (3rd Edition)

Frederick Gould, Nancy Joyce

Construction Project Management (3rd Edition) Frederick Gould, Nancy Joyce

Construction Project Management, Third Edition provides readers with the “big picture” of the construction management process, giving a perspective as to how the construction industry functions in relation to the national economy and in the public's eye. This book focuses on the collaborative effort required to complete any public or private construction project, providing the construction professional with the skills needed to work with and alongside the owner representative, the designer, and within the public's eye. It explains in detail the project elements and environment, and the responsibilities of the varied project professionals, and follows in detail the chronology of a project.
