## **He Knew He Was Right** Anthony Trollope

When Louis Trevelyan was twenty-four years old, he had all the world before him where to choose; and, among other things, he chose to go to the Mandarin Islands, and there fell in love with Emily Rowley, the daughter of Sir Marmaduke, the governor. Sir Marmaduke Rowley, at this period of his life, was a respectable middle-aged public servant, in good repute, who had, however, as yet achieved for himself neither an exalted position nor a large fortune. He had been governor of many islands, and had never lacked employment; and now, at the age of fifty, found himself at the Mandarins, with a salary of £3,000 a year, living in a temperature at which 80° in the shade is considered to be cool, with eight daughters, and not a shilling saved. A governor at the Mandarins who is social by nature and hospitable on principle, cannot save money in the islands even on £3,000 a year when he has eight daughters. And at the Mandarins, though hospitality is a duty, the gentlemen who ate Sir Rowley's dinners were not exactly the men whom he or Lady Rowley desired to welcome to their bosoms as sons-in-law. Nor when Mr. Trevelyan came that way, desirous of seeing everything in the somewhat indefinite course of his travels, had Emily Rowley, the eldest of the flock, then twenty years of age, seen as yet any Mandarin who exactly came up to her fancy.

#### **Joyce Morgan:**

Is it anyone who having spare time and then spend it whole day simply by watching television programs or just lying down on the bed? Do you need something totally new? This He Knew He Was Right can be the reply, oh how comes? A fresh book you know. You are consequently out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these guides have than the others?

#### **Manuel Rose:**

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just small students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this He Knew He Was Right can make you feel more interested to read.

#### **Linda Cooper:**
