## Disney Princess Sound Book: The Princess and the Frog

The *Disney Princess Sound Book: The Princess and the Frog* lets children enjoy the magical, musical tale of a young woman named Tiana and the frog who changes her life. Designed for children ages 18 months and older, the book features illustrations by the Disney storybook artists and a story adapted from the popular Disney movie *The Princess and the Frog*. It includes 10 charming sounds inspired by the film. When children see a picture in the book, they can press the matching button to hear the sound. For example, they can press the picture of Naveen to hear him croak, or the picture of Louis to hear a jazzy trumpet riff. Each sound helps to bring the story to life.

The book introduces Tiana, who makes a special wish as a child. Many years later, she makes another wish on the Evening Star, and a frog appears. As she kisses the frog to make her wish come true, Tiana becomes a frog, too. The adventure continues as the two frogs spend time in the bayou, meet new friends, and try to reverse the spell to make their real dreams come true.

Features of this play-a-sound book include:

- An engaging story based on the Disney movie *The Princess and the Frog* entertains children and encourages reading.
- Colorful illustrations, a suspenseful storyline, and a variety of sounds enhance the adventure.
- The book's thick cover is designed to withstand rough handling.

The *Disney Princess Sound Book: The Princess and the Frog* includes three replaceable long-life AG-13 batteries and conforms to the safety requirements of ASTM F963-08.
