**Romualdo Ângelo: Female Theatrical Monologue (Six Small Monologues for Women Book 1)** Afonso Nilson

The demonstrations of love and its lasting effects, sometimes lasting more than love itself. The nothing unusual story of a woman that loved more than was loved, believed more than the truths she heard, and who desired beyond the desire they had for her. With humor and rancor, a text about the resentment as a form of self-love. Female theatrical monologue.
