## Native America [3 volumes]: A State-by-State Historical Encyclopedia

Employing innovative research and unique interpretations, these essays provide a fresh perspective on Native American history by focusing on how Indians lived and helped shape each of the United States.

- 50 chapters examine the role of Native Americans in the history and development of each state
- Contributions from more than 30 distinguished native and nonnative scholars from around the world, each providing a unique perspective on the states and the native peoples who lived there both before and after statehood
- A chronology of significant events in Native American history for each state from the pre-colonial period to the present
- Extensive, interdisciplinary bibliographies on Native American history in each state
