Crime Scene Investigations: Real-Life Science Labs For Grades 6-12 Pam Walker, Elaine Wood

This unique resource offers activities in earth, life, and physical science as well as science inquiry and technology. The Grades 6-12 level book provides labs on life, physical, and earth science as well as critical thinking. Like real-life forensic scientists, students observe carefully, organize, and record data, think critically, and conduct simple tests to solve crimes like theft, dog-napping, vandalism and water pollution. For added fun, each resource features an original cartoon character, Investi Gator for the Elementary level and Crime Cat for Grades 6-12. All activities include complete background information with step-by-step procedures for the teacher and reproducible student worksheets. Whatever the teacher's training or experience in teaching science, Crime Scene Investigations can be an intriguing supplement to instruction.
