The Purposeful Argument: A Practical Guide

Harry Phillips, Patricia Bostian

The Purposeful Argument: A Practical Guide Harry Phillips, Patricia Bostian

Emphasizing the practical and the local, **THE PURPOSEFUL ARGUMENT: A PRACTICAL GUIDE, 2E** effectively brings argument into real life with community-based writing activities, illustrating that the tools and skills of argument are critical to readers today-and wherever their careers take them. With a focus on accessibility, the text encourages students to argue in response to issues in a variety of environments-school, workplace, family, neighborhood, social-cultural, consumer, and concerned citizen-and learn how argument can become an essential negotiating skill in everyday life. It offers thorough treatments of Toulmin-based and Rogerian approaches to argument as well as teaches the value of fully understanding the opposition, the importance of aiming for the middle ground, and how to use a microhistory to forge an unconventional position. The only introduction to argument written with the today's diverse student body in mind, **THE PURPOSEFUL ARGUMENT** uses vivid explanations, detailed examples, and practical exercises to guide students step by step through the process of building an effective argument. In addition, a rich anthology of arguments covers a wide range of today's leading issues.
